## The Best Year of Our Lives!

As we step into a New Year, we often think of New Year's Resolutions – we pledge to lose weight, to start that new business, to drink more water and dozens of other ways we can live healthier, happier lives.

However, this New Year, what if we challenge ourselves to go beyond embracing New Year's Resolutions and embrace a New Life!

Isaiah 43:18-19 says, "Remember ye not the former things, neither consider the things of old. Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert."

We should expect a "new thing" from God in 2012! This Dedication Week, as we consecrate ourselves by laying down old, destructive attitudes and behaviors, and start carrying out the Will of God for our lives, we can expect to see radical change in our finances, relationships and our spiritual walk. This will be our best year!

**See DEDICATION WEEK Itinerary on Page 4**

God has designed a blessed life for each and every one of us.

## Changing The World in 2012

The world needs your help.

As we look at the news, we see crisis after crisis. Marriages are falling apart. The rate of homelessness has increased. Youth are going to jail at younger ages. Famine and disease continue to plague Africa. Abortion rates are on the rise. Crime, gangs and homosexuality are in large numbers. In the face of such troubling times, people are looking for hope, healing and restoration.

The great news is that we hold the remedy to the problems facing our world, and that is Jesus Christ! God has empowered us as believers to make a difference, share his love and bring hope to the world!

Our medical center in Kenya and our new worship facility

(currently under construction) are just two ways that will enable us to maximize our impact in reaching souls for Jesus Christ.

Just 2 years ago, we launched our Changing Lives Together Initiative, a movement to band together to effect change all around the world. During our first special Giving Day, we pledged \$20 million toward making that change come to pass.

As we approach the 2<sup>nd</sup> anniversary, we will be renewing our promise on Recommitment Sunday, January 15<sup>th</sup>. During all services, we are re-committing to our promise of building a legacy and making a positive impact around

# Calling All Youth: Get Your Swag Back!

If you have ever seen the Harvest Youth Ministries in action, you know that whether they are singing, stepping, ushering, greeting, dancing, creating art or working behind the scenes, they have plenty of swagger.

The youth will showcase their talents with special performances, a fashion frenzy, the Jubilee and Youthful Praise choirs will minister, and we're launching new Youth Ministries!

They have confidence, talent and personality! Bottom line, they just have it goin' on – but now it's time to go even higher!

With each new year comes new ideas, a new flow...and a new swag!

Join the Youth Ministry of Harvest as they share their gifts and talents on Youth Sunday, **January 22<sup>nd</sup> – at the 9 am and 11:30 am services.**

The theme is "New Swag" and you will see it on display!

To put the icing on the cake, we are hosting a special reception after the 11:30 am service for everyone who wants to find out more about the youth ministries that Harvest has to offer, and how to be a part of what we're doing!

We need the help of both youth and adults to accomplish what God has in store for this dynamic group of young people. Join us on **Sunday, January 22<sup>nd</sup>**, and invite your friends and family – and hey – if you haven't updated your own swag yet...we can help you out!

## Changing The World in 2012 *From Page 1*

the world.

2012 will be a year of major milestones in the construction of our new headquarters and worship facility. We have already completed the ground work, which includes the retaining walls, guard rails, fences and parking lot. And this year, the official foundation pouring will take place. This facility will allow us to minister to souls, restore families, and impact our community in a greater way!

We've also been blessed to complete the construction of our Harvest Conference Center in Nakuru, Kenya and the

plans to build the Harvest Medical Center are underway. In the area of Nakuru, there is currently no place for people to go to meet their medical needs. This medical center is essential to ensure that the residents of this region get proper medical attention.

In 2010, we started a spiritual journey to do our very best for God and HIS Kingdom. As we step into 2012, we must stay on track until we fulfill our God-given mandate. Let's continue to stand in faith believing God to work in and through us to impact the world for His glory! We can do all things through Christ who strengthens us!

## The Tell Somebody Campaign Is Back!

**Tell Somebody** is a campaign for members of Harvest to invite as many people as possible to church. The goal is to reach out and invite 2,012 people per month from January 1<sup>st</sup> through May 31<sup>st</sup>.

Using various means including phone, email, text, social media such as Facebook and Twitter, and more, the person who invites the most people by the end of the campaign will be recognized and receive a prize.

God has called each and every one of us to tell somebody about Jesus Christ and His love for us. We are all a part of God's Kingdom Building plan and we should be active participants in that plan. Remember, somebody invited us to church and our lives were changed. Let's do the same for someone else!

Stop by the Tell Somebody table in the foyer for more information.

**MISSION SUCCESS:** Harvest blessed hundreds of children in need this Christmas through our Christmas Toy Drive. Thanks to all who helped make this possible!
